

SPONSOR THE NADS & BE GLADS!

For over 40 years, the Northern Hills Nadadores Swim Team has served thousands of swimmers and hundreds of families in Northeast San Antonio. We provide an exciting and healthy activity for children (age 6-18) as well as teach them a lifelong skill and sport. Many of our Nadadores have become successful high school and collegiate swimmers. Presently the Nadadores are 150 kids from about 100 families. We involve the entire family in all of our activities - meets, special events, and leadership. We attract over 400 people to our home meets. Your sponsorship helps the Nadadores continue its service and winning traditions.
